Get your digital marketing plan paid in 2020.

Exciting opportunities for any individual, businesses or PR agencies looking for the chance to expand their content reach or save on their digital marketing expenses because Vertical News Network (VNN) is now welcoming applications for their 2020 Digital Marketing Boost Grant.

Who Is Vertical News Network?

Vertical News Network, otherwise known as VNN, is a media house that operates a portfolio of authoritative media websites creating premium content for both targeted and broader audience. The company offers a niche distribution service where businesses can distribute content and press release to their relevant verticals.

Vertical News Network's 200 Sites

Vertical News Network operates a media house of more than 200 sites, that comes under six different verticals including business, travel, sports, entertainment, science, and world news. This gives businesses a choice to reach audiences in their targeted verticals, to spread the right stories to the right people.

Who is the 2020 Digital Marketing Boost Grant Open For?

Anyone who is looking to do **online content digital marketing**, so this includes any individuals looking to build an online reputation, small and medium businesses, public relations agencies, local businesses, newswires, and basically anyone who is looking to expand their content reach.

How does the 2020 Digital Marketing Boost Grant Work?

To be eligible, you must be a **first time user of VNN** and be committed to content marketing, you need to fulfill the minimum requirements of content volume per month as followed:

- **Solo Entrepreneurs and Bloggers**
Minimum 20 content volume per month
- **Small & Medium-sized Businesses**
Minimum 50 content volume per month
- **PR and News Agencies**
Minimum 200 content volume per month

If you are interested in obtaining the grant, kindly submit your application here at <https://www.verticalnewsnetwork.com/contact-us/>

Your application should include the mentions of your :

- Website link & niche
- RSS or content feed (if applicable)
- Volume content you are looking to post on our 200 sites

Based on the quality and volume of the content feed, Vertical News Network will determine the amount of grant applicable to you which you can then use to subsidize 30% of the charges for distributing with Vertical News Network.

Note that the grant is limited to 100 applicants and each applicant can readily get a one-off grant up to \$10,000!
